

# **KENYA'S PROGRESS IN CAPACITY BUILDING FOR THE SUCCESSFUL IMPLEMENTATION OF THE ARMS INITIATIVE**

Dr. Roy B. Mugiira

National Council for Science and  
Technology

# Major Initiatives

- A draft Cabinet Memorandum to be discussed
- The declaration of intent to be discussed by the Cabinet
- Four committees of Technical, Applications, Legal and Capacity building have been set up

# Initiatives Cont'

- The proposal to authorize our AU ambassadors in Addis Ababa to sign documents on behalf of their respective governments is being considered.
- The Capacity Building Committee has identified training needs

# Potential Impediments

- The communication path is unnecessarily long and convoluted.
- Government procedures are normally slow and lengthy.
